HOLIDAY 2024 PREBOOK

## LOOK FOR THESE HIGHLIGHTS IN THE HOLIDAY 2024 PREBOOK OFFERING:

### SPITFIRE

Demon babies drinking gasoline and a fresh pair of green cords—what more could you ask for? Spitfire is bringing back the OG Demonseed graphic for this holiday line across various apparel pieces, including a newly developed hooded flannel with full-back embroidery. The Bighead Pants are getting an update too, with a new olive green cord colorway on the already popular loose-fit cut. A custom vest, embroidered zip-hoods, and tons of color-ups in trusted staple graphics round out a full line we're stoked to share.

### THUNDER

Our creative director has a vintage eBay habit that has led to some uncovered gems from Thunder's past. For this drop, it's the Insignia logo on a new high-profile five-panel hat that the whole team was hyped about. It features a minimal script 'T' embroidered logo in the black and blue color story that's carried throughout the drop. Keeping on the team favorites' inspired route, we went with the Boxed Bolt and original script logo across hoods, tees, and a first-time offered jacquard Thunder Belt.

### VENTURE

Check out the latest Venture softgoods in the streets of Los Angeles, featuring our favorite logos. New Emblem hats, tees, Heritage zip-up hoodies, and an AWAKE 32oz water bottle. This line has all you need to lace up any Venture fan this Holiday Season.

### REAL

This special Holiday line of apparel from REAL pays homage to our SF roots, with a full range of gear built to last in the streets—it even survived the Dennis Sweat Test. Look out for the skate-tourist-inspired Fort Miley Collection featuring a two-tone embroidered snapback hat and matching ringer tee, alongside a new Tough Threads offering, including a new colorway of the team favorite reinforced double-knee pants as well as a heavyweight crewneck sweatshirt with contrast stitching. Both are branded with the gold-stitched Trolley Car logo patch. Rounding out the drop with all the basics, we have a fresh '90s throwback Oval hoodie, the OG Script logo long-sleeve tee, and striped knit beanie, plus a new colorway of the Classic Oval in a snapback hat and short-sleeve tee.

### KROOKED

The team saw the Necroshmoos design and wanted us to run with it, so that's exactly what we did with our Holiday apparel line. We have a 100% cotton snap-front embroidered Necro Script jacket, featuring the Necroshmoos print on the inside on a 100% polyester taffeta lining, as well as a heavyweight zip-up Necroshmoos hoodie with a three-color back print, and a water bottle. We offer the Necro Script in an ash long sleeve with black print, an off-white strap-back hat with black print, and a black, folded, embroidered beanie. Keep it metal this holiday season with Krooked.

We also have some new embroidered Eyes pants that are 11.5 oz and 100% cotton, with a relaxed fit in a medium stone-washed denim. There's a Moonsmile shower curtain, a navy hoodie, and a black short-sleeve shirt. We feature the Mermaid on an army green hoodie and a navy short-sleeve shirt, Eyes short and long sleeves, Sweatpants shirts, new socks, beanies, and both snap and strapbacks.

### THERE

"Home for the Holidays" with THERE is playful chaos in unmatched style and warmth. Introducing our new 'Parasite All-Over' beanie, this piece is complemented with an army green 'Parasite' hood.

Welcome a charming new addition with our 'THERE My Pet' navy hood, a perfect companion for colder days, also offered as a splash of color on a light blue tee. And for a touch of laid-back sophistication, slip into our 'THERE Window' tee in heather grey.

### ANTIHERO

Thank god for clothing. The thought of skating around naked is pretty horrifying. So unless you like the thought of skating naked like some nightmare KOTR challenge than check out our body coverings for holiday 24. Way better than the alternative.
